

FEATHER FLAG BUYING GUIDE

WHICH SHAPE DO YOU REQUIRE?

WHAT HEIGHT DO YOU REQUIRE?

IS IT REQUIRED INDOORS OR OUTDOOR?

- ▶ Aesthetically pleasing black metal finish
- ▶ Ideal for a showroom, shopping centre or any indoor event with a small footprint

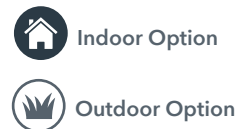

- ▶ Easy to transport with an inbuilt carry handle
- ▶ Can be stacked upon each other for additional weight depending on flag size and weather conditions

- ▶ Water or sand fillable
- ▶ Popular choice for events as they are robust
- ▶ Easy to transport when empty
- ▶ Particularly ideal when you have more than 1 to carry

- ▶ Largest water or sand fillable base
- ▶ Even when full, at 25kg, they can be legally carried by 1 person
- ▶ Ideal for larger sized flags
- ▶ Wheels and handle make it easily movable

- ▶ Can be used indoors on its own
- ▶ Commonly used with a stackable base where high winds may be a challenge
- ▶ Provides extra weight and stability to the base

- ▶ Ideal for soft ground such as grass
- ▶ Has a small footprint so a minimised trip hazard
