

# FENCE SCRIM

## PRODUCT OVERVIEW

There are a number of different names for Scrim including Roll out Branding, Covers and Barrier Jackets, all of which have the same purpose – to cover metal crowd barriers and heras fencing panels with branding.

Scrim is highly popular for use at marathons and mass participation sporting events, as it is eye catching and is seen by every participant and attendee.

Various sizes and materials are available to suit any event, from Knitted Polyester panels to 30 metre rolls of Non-Woven Polyester.
