

# LAMP POST SPINNER

## PRODUCT OVERVIEW

The brand-new, eye catching lamp post spinner is guaranteed to reinforce the branding at your event.

The highly visible lamp post spinning banner allows your brand messaging to be showcased from all directions.

The dynamic 360° spinner, with graphics printed on both sides of the 220-display material, guarantees to catch the eye of people as it spins in the wind.

With ease of installation, the lamp post spinner fixing attaches to the lamp post with two heavy duty jubilee clips.

The lamp post spinning banner is compliant with the Government Regulation EN40, which dictates the maximum wind load that any type of signage is allowed to exert onto a standard street lighting column.
